

Kiwanis Incredible Duck Splash

BE A DUCK BUDDY!

Saturday, May 02, 2026

@Lake Glendale in Verdugo Park

Joining the flock as a Duck Buddy is an easy way to raise funds for non-profit organizations, e.g. service clubs, public and private schools and community interest groups serving the children of our communities.

What do Duck Buddies do?

Duck Buddies adopt ducks out through their family, friends, business associates, Facebook friends, Twitter followers and receive 50% of the total adoption monies raised - guaranteed! The top selling 3 Duck Buddies receive a bonus on top of their 50% compensation.

Duck Buddies should come and enjoy the Duck Race! Win the big bucks! That's all! Glendale Kiwanis does the rest!

What will Glendale Kiwanis do for the Duck Buddies?

In an effort to make the process as ducky as possible for our Duck Buddies, Glendale Kiwanis will:

- Produce, deliver and pick up your adoption forms
- Track all adoptions on-line and provide you with Adoption Reports whenever you request
- Make available a "Quacky" costume and large inflatable duck to help you in your promotional efforts (if available, advance reservations recommended)
- Provide you with a promotional area at the Rubber Duck Race if you wish to promote your organization
- Provide you with redneckulous ideas to get your ducks adopted
- Build "Lake Glendale" and run your ducks down the river so that someone can take home \$10,000 that day! And that ain't chicken feed! (Winners need not be present - we will call, text or email instantly if the correct info was provided!)
- Issue Duck Buddy checks within two (2) weeks of the Race to allow for credit card and check clearances

Over the past 20 years, one Duck Buddy has raised over \$200,000 for their School! And has won over \$50,000 in prizes for their adopters!

This could be your biggest and silliest fun(d)raiser of the year! Join the Flock!
